Two of our lads did duty as stewards and they were Bob Nicol and Jim Sneddon well done to you two as well.

John Surgenor completed his 100th Eglinton parkrun on the day and became the second runner from the club to complete 100 parkruns the first having been Jim White who has completed 129 officially and one he completed but they failed to register him. We will have another member joining this exclusive club soon as our treasurer Mike Flinn is sitting on 99 runs.
