

132nd Eglinton Parkrun on 12th September 2015

After three weeks of ideal running conditions the rain splattered down on Friday night and continued throughout the run on Saturday morning. I had missed last two weeks with injury and was looking forward to ideal conditions for the run when I went to bed on Friday evening but come Saturday morning I was disappointed. Possibly due to the weather but more likely due to the Round Cumbrae 10 Miler we had a smallish field compared to recent weeks with 103 taking part of which 9 ran for our club. These are they

Mark Livingstone VM40-44

George Irving VM50-54

John Surgenor VM60-64

Joe McNamee VM55-59

Jim White

Pamela Porteous

Michael Brown

Jaymee Brown

Yvonne Gallagher

Jaymee got her usual PB that makes a possible 6 from 8. Well done wee lass. We also had two volunteer stewards in Mike Flinn and Jim Sneddon. Well done to all who represented the club on the day.
