### **122nd Eglinton Parkrun 4th July 2015**

We had glorious dry and sunny weather most of the week so it looked like it would be ideal underfoot conditions but on the Friday night the heavens opened and in the words of race director Clare Lowry, it was the puddiest parkrun to date. I can verify that as 115 runners could play at being Peppa pig, 7 of which were from our club this is they;

Liz Colquhoun

Well done to all the members who represented the club on Saturday morning especially our record of six stewards on the same day.
